Work Experience

App / Web Developer

[CropSky](#) | VIT-TBI Hub | 2024 - Present

- Ensured **zero critical failures** during **3 product launches** through rigorous **regression testing**.
- Improved **stability** by reproducing **edge-case bugs** and escalating **documented failure reports**.
- Streamlined release cycles by establishing **standardized testing procedures**, **reducing post-deployment errors**.

Founder

[Shoot the Breeze](#) | 2023 - Present

- Delivered **highly reliable software** to **15+ businesses** by conducting **pre-release manual testing**.
- Conducted **repetitive testing exercises** to **qualify new builds** without compromising speed or quality.

Projects
